October - December 2010 Edition

Dear MASC,

Message from the President

The season of festive parties is just around the corner. Are you ready with the hustle and bustle of the holiday season?

The board members are now busy planning for **MASC Chinese New Year dinner party for 2011**. We received feedbacks from members that they would like to go to a new restaurant and have a new band. The board acted accordingly. So, this upcoming event will be held on **Saturday, February 12, 2011 at Seafood Place, 12181 Brookhurst Street, Garden Grove, CA 92840. New place and new band!** Please mark your calendar for this joyous event.

We had more than 40 attendees at our first business network meeting on October 16 at Ruben Malaysian Cuisine. The close setting gave everyone a chance to mingle and to get to know each other better on a personal and business level. Attendees requested that this event be held every other month.

Our Secretary, Connie Henson, turned in her resignation in October. We thank her for her many years of dedicated service. Her other half, Les Henson, is taking on her duties in the interim.
